

Dr. Hepner Memorial Scholarship

This scholarship has been dedicated to the memory of Dr. Steve Hepner by his family and friends in co-operation with the JFKS Berlin Alumni e.V.

Dr. Steve Hepner, also fondly referred to as “Doc”, was a long-time member of the John F. Kennedy School community as a teacher and Assistant American Principal in the high school. He was the kind of teacher and administrator who knew all of the students. Encouraging creativity and supporting students who might have been stifled by a strictly academic focus, Dr. Hepner often assisted students in finding balance on their way towards graduation. He had a particular keen eye for those who fell under the radar, had great potential but often performed below their ability for a variety of reasons. He was often the supporter of the “underdog” and nurtured relationships with these students to enable them to succeed.
