

Dear Alumni Community,

we are very pleased to be able to offer you new shirts today. In addition to T-shirts, you can now also get polo shirts. And this in both men's and ladies style. We have also extended the range of sizes.

We have placed particular emphasis on the quality of the shirts. The T-shirts are made of 95 % cotton and 5 % elastane (180g/m²). The polo shirts are made of 94 % cotton and 6 % elastane (225 g/m²). All shirts are washable at 40 °C and can be tumble dried to a limited extent due to the print. The shirts come from the company Strauss Deutschland GmbH und Co KG. You can find information on sustainability on their website: <https://www.strauss.com/de/de/Nachhaltigkeit> and in the response to our specific inquiry about the products we selected. The fit of the ladies' shirts is close to the body, possibly order one size larger.

Pictures of the shirts: on the front left, you will find the logo of the club (approx. 6 cm Ø).
