**Application Period:**

The application period should encompass at least three weeks.

**Step 2)**

The applicant has to submit the application with all supplemental information by the deadline electronically to the High School Guidance Counselor's office.

**Step 3)**

Applicants admitted to a personal interview will receive an invitation with a two weeks' written notice.

Deadlines for submission depend on the school year and are published with the current registration form.

Submitting an application does not guarantee an invitation to a personal interview.

**Languages:**

German and English are valid languages for the application.

**Application Requirements:**

1. Fully completed and signed registration form.
2. At least one letter of recommendation from a teacher
3. Applicant's transcript
4. Letter of motivation answering the following:

**Guidelines for the Committee:**

Primary consideration when weighing the criteria for awarding the scholarship is to understand what the student's situation was; the severity and duration of their situation.

How did the student overcome obstacles?

The committee should find proof for the student's resilience through the written essay and interview process. The letter of recommendation and the transcript should additionally inform the committee about the applicant's situation.

**Obligations:**

The committee keeps a record (protocol) of their decision-making and appoints a committee member as a secretary. A simple majority of votes passes decisions.

After the committee has completed the decision-making process, applicants will receive the result of their application in writing (by e-mail or post) within one week, at the latest by July 15<sup>th</sup> of the year.

**Announcement:**

The result is announced at the Graduation ceremony of each school

year.
